IAS DIKSHITA JOSHI FROM BATCH OF 2013

Dikshita Joshi, an alumna of 2013 batch has recently qualified the UPSC exam with 58th rank and would soon join the IAS cadre. Few words from her school memoir:

My journey with AVBIL began in 2007, when I joined in 7th standard. Learning from some of the most talented students in the town helped me grow during my school years. The spirit of healthy competition, friends who still have my back, and teachers' life lessons have been a saviour for me all this while.
