ENTREPRENEURSHIP SUMMIT 2022

AVBIL YOUNG ENTREPRENEURS' SUMMIT, YES AVBIL, was organized on 7th May 2022 by the Grade XII students of Commerce Stream to present their innovative entrepreneurship ideas. Six teams presented their unique startup ideas in the event. Three alumni entrepreneurs Aman Sinha, Ayushman Sahni, and Raghavendra Dasila were the Judges of the event who expressed that nurturing a culture of entrepreneurship helps students in creating and achieving realistic goals. The summit proved to be a platform for showcasing and presenting out-of-the-box ideas as well as developing business acumen.

MOTHER'S DAY CELEBRATION

On May 07, 2022, the tiny tots celebrated Mother's Day with great fervour and enthusiasm. Liling songs, captivating dance performances, and lovely handmade Mother's Day cards reflected the children's affection for mothers. Mothers' participation made the event all the more striking as they walked the ramp with their little ones.

SUMMER FIESTA

"Beat the heat with a cool treat"

"Mother's love is like a circle. It has no beginning and no end."

Summers are here, to beat the heat students learned and demonstrated their skills of mixing and presenting a wide array of sweet, tangy and savory cool drinks in the Summer Fiesta held on 6th May 2022. Students prepared and displayed a variety of healthy and refreshing cool drinks and mocktails, like mojito, shikanji, aam panna etc. The activity not only introduced them to new flavours and learning but also provided time to enjoy sharing newly learned skills with their friends.

HIGH SCHOOL TRAVERSE

High School Traverse was organized for the students of class XI to welcome them to the new session. Three alumni, Neelabh Pant a scientist in Walmart Global Technology America, Ayushman Sahni, a successful Chartered Accountant, and Jitesh Dhariyal, who has recently joined the Indian Space Research Centre (ISRO) were invited to share their experiences and journey.

The session commenced with prayer and musical drum performance, followed by interactions with the alumni. It concluded with the Principal's address.

Fun activities were organized for class XI students who were also given snack boxes which they thoroughly relished.

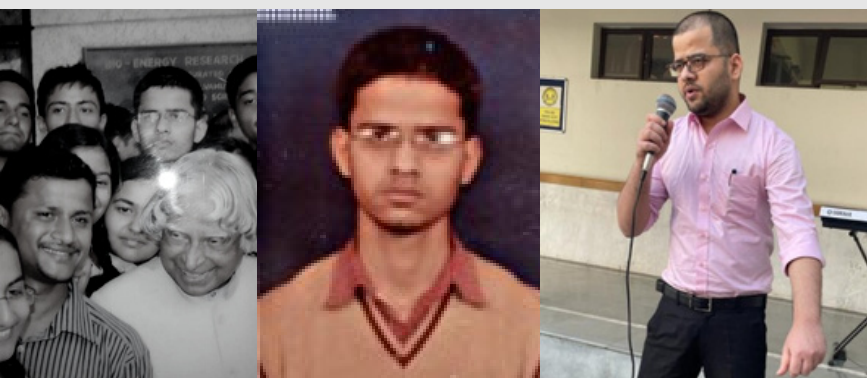

A ten-day long Summer Camp was organized from 20th -30th May, 2022 under the expert guidance of the mentors from Swar Sangam, Kolkata who trained students in a variety of skills. The students showcased their learning on the 11th day, 31st May 2022 at the Finale.

OUR TRENDSETTERS

"THE JOURNEY OF 1000 MILES BEGINS WITH A SINGLE STEP"

Jitesh Dhariyal, an AVBIL pass out of 2012 batch has been selected by ISRO as mechanical scientist. School invited him to share his experiences and journey with the students of Grade XI and XII. In his interaction he elaborated upon the significance of perseverance and time management. It is nothing short of serendipity that he was one of the students who interacted with the Missile Man of India, Dr. APJ Abdul Kalam, and is now going to join ISRO, the premier institute where the ex-President worked.
